
The Fibre Co. is looking for makers to join our team of sample knitters.

We would love to hear from you if you are interested in creating samples for us and encourage knitters of all races, sexualities, gender expressions and ages to apply. This work is for experienced knitters who would like to create pieces for payment (We pay in yarn or cash payments). We are looking for knitters who are good communicators and can meet deadlines.

The work is varied and we have a number of on-going projects creating swatches or samples for photoshoots and trunk shows.

At the moment, we are only looking for makers based in the UK.

If you are interested in joining the team, please send us an email with the following information:

- 1) A short paragraph about your knitting skills and experience.*
- 2) Specific details of your skills and preferences. The most important details are:
 - Do you knit lace, cables, stranded colourwork?*
 - Can you seam pieces to a professional standard?*
 - Do you have facilities to block your knitting?**
- 3) An indication of how long it would take you to knit the following:
 - A simple single skein accessory*
 - A larger accessory (200 – 300g)*
 - A simple garment*
 - A complex garment, e.g. a heavily cabled sweater or colourwork piece.**
- 4) Links to your Ravelry account (showing examples of your work) and your social media accounts (if you use them to show your work).*

*Please submit this information to both beckybaker@thefibreco.com & bethany@thefibreco.com with the subject line – **Sample Knitting Application.***

We will then assess this information and invite shortlisted candidates to submit a set of swatches for assessment.
